## CONCURRENT RESOLUTION

Regarding the resettlement of enemy prisoners of war.

Whereas the nation of Iraq remains in violation of numerous United Nations resolutions;

Whereas the Iraqi armed forces are accountable for war crimes and atrocities that took place during the invasion and occupation of the sovereign state of Kuwait;

Whereas the Iraqi armed forces have continued to violate the human rights of the native population of that nation;

Whereas providing for the security of the people of the United States against an unprecedented effort to bring terrorism to this Nation requires that measures to pre-

vent potential terrorists from entering this country must be strengthened; and

Whereas it is inappropriate for the people of the United States of America to provide for the resettlement of members of the Iraqi armed forces in the United States under these circumstances: Now, therefore, be it

1       *Resolved by the House of Representatives (the Senate*  
2 *concurring)*, That it is the sense of the Congress that the  
3 United States Government should terminate the policy of  
4 allowing resettlement of members of the Iraqi armed  
5 forces in the United States of America.
